As part of the public sector and a member of the Derby & Derbyshire Modern Slavery Partnership, the Council is committed to improving its practices to identify and combat this crime. The Council recognises its responsibility to take a robust approach to modern slavery and human trafficking as an employer, commissioner and contractor with other bodies; and acknowledges its duty to notify the Secretary of State of suspected victims of slavery or human trafficking as required by section 52 of the Modern Slavery Act 2015.

Our Structure, our business and our supply chains

Derbyshire County Council is a principal local authority for the purposes of the Local Government Association (LGA) 1972.

The Council is currently split into four directorates.

- Economy, Transport and Environment

Derbyshire County Council has responsibility for providing a wide range of statutory and discretionary services for its residents, businesses, visitors and partners. The council manages a wide range of services which are delivered directly and through external contractors.

Over 13,000 people work for the Council (excluding schools), with a budget of over £500 million, making it one of the largest employers in Derbyshire. The jobs range across a large number of services such as social care (adults and children), education, children centres and nurseries, highways (roads and footpaths), street lighting, trading standards, community safety, libraries, economic development, tourism, countryside parks, leisure and waste management.

The Council procures goods and services from various suppliers and this is governed by its Financial Regulations and Procurement Strategy.

Policies

The Council reviews its policies and procedures on an ongoing basis to ensure they remain compliant and fit for purpose. The following policies and procedures are considered to be key in meeting the requirements of the Modern Slavery Act.

Council Plan 2017-2021

The Council Plan is a key document that describes the Council's priorities, resources and how progress is monitored. The Plan also shows how we will work more closely with our partners in district and parish councils, the voluntary sector and the health service to ensure we maximise all our resources and provide better joined-up services.

Safeguarding

The Council embraces its responsibility to develop, implement and monitor policies and procedures to safeguard the welfare of children and adults at risk. The Council has a comprehensive Safeguarding Policy which all staff and Councillors are expected to read and work within. The Council works within multi-agency partnerships to protect and safeguard people.

HR / Employment Policies and Practices

The Council remains highly committed to advancing equality, eradicating unfair treatment, and promoting good relations across and between all our communities.

We have clear and rigorous HR policies and procedures and high standards for employees that minimise the risk of any form of modern slavery existing within the organisation.

The Council has procedures and policies in place on all major employment issues – e.g. disciplinary, grievance, harassment and bullying, Code of Conduct, Confidential Reporting Procedures, as well as other policies that support fair treatment of employees including attendance management and ill health capability, performance capability, performance management, recruitment & selection etc.

Our management guidance supplements the above to make sure the policies are applied consistently and fairly to employees and the service in different circumstances. Policies are constantly reviewed and reissued at least every three years to ensure they are fit for purpose.

Recruitment

The Council's recruitment processes are transparent and reviewed regularly. They include robust procedures for vetting new employees, which ensures they are able to confirm their identities and qualifications, and they are paid directly into an appropriate, personal bank account. To comply with the Asylum, Immigration and Nationality Act 2006, all prospective employees are asked to supply evidence of their eligibility to work in the UK. References are also requested and followed up.

Agency Workers

The Council uses only reputable employment agencies to source labour and verifies the practices of any new agency it is using before accepting workers from that agency.

Pay

The Council use a job evaluation scheme, thereby ensuring that all employees are paid fairly and equitably. All new and changed jobs are evaluated by a panel of trained evaluators including trade union representatives.

Employee Code of Conduct

The Council's Code of Conduct for Employees makes clear the actions and behaviours expected of them when representing the Council. The Council strives to maintain the highest standards of employee conduct and ethical behaviour and breaches are investigated. The code also applies to contractors, agency staff, volunteers and those on student / work experience placements working on behalf of the Council.

Confidential Reporting

The Council encourages all its employees, customers and other business partners to report any concerns related to the direct activities or the supply chains of the Council. The Council's procedure is designed to make it easy for employees to make disclosures, without fear of harassment or victimisation.

Procurement Contractors and Service Providers

The Council is committed to ensuring that its contractors adhere to the highest standards of ethics. The Council expects its key contractors to have safeguarding policies, procedures and training in place. From April 2016, all tender processes require bidders to provide confirmation that they are compliant with the Modern Slavery Act 2015.

Equality and Diversity

The Council's Equality and Diversity Policy is a declaration of its commitment to making equality an integral part of the Council's business. As a major employer and provider of services we are committed to advancing equality of opportunity and providing fair access and treatment in employment and when delivering services. To support our commitment to equality, we embed equality and diversity into our everyday business. We expect all our Councillors, managers, employees and contractors to treat everyone with dignity and respect and provide the best possible standards of service to all our customers.

Partnerships

Through its Community Safety function, the Council along with Derby City Council leads the Derby & Derbyshire Modern Slavery Partnership. Bringing together public, private and voluntary organisations to disrupt perpetrators and support victims of human trafficking & modern day slavery in Derby and Derbyshire and further afield. We strive for a community wherein awareness of all forms of human trafficking and modern day slavery is commonplace and that across all sectors people work collectively to eradicate its existence in our community.

The Council works in partnership with a wide range of agencies to prevent abuse and neglect, to detect and report occurrences and to support victims. This includes the Derbyshire Safeguarding Children and Adults Boards.

Training and Awareness

The Council has a programme of induction and ongoing mandatory training that all employees must complete, including Safeguarding Awareness Training. This enables officers in community-facing roles to identify and know how to report incidents of abuse and neglect, including modern slavery and human trafficking.

[Elearning training on Modern Slavery is available to all employees and partners](#)

The content includes:

- What modern slavery is
- Risk occupations, environments, sectors and case studies
- How the crime can be identified

- What can be done to flag potential concerns
- How to support potential victims
- Who to speak to for support and guidance
- The National Referral Model and the Duty to Notify

The Council recognises that certain employees within the organisation should be required to complete training on modern slavery. To date, this has focussed on customer facing roles. We are currently reviewing training; consideration will be given to prioritising staff responsible for supply chain management, working in HR and Procurement within the Council to complete training on modern slavery.

Performance indicators

We will know the effectiveness of the steps that we are taking to ensure that slavery and / or human trafficking is not taking place within our business of supply chains through:

- Investigating all allegations, complaints, whistleblowing reports received from employees, the public, or law enforcement agencies regarding modern slavery and human trafficking
- Undertaking a number of community awareness programme for adults and children
- Requiring all staff working in supply chain management, Procurement and HR to have completed training on modern slavery.
- Reviewing and evaluating high risk supply chains, occupations and contracted services as part of on-going contract management activity.

Working with Suppliers and Due diligence

The nature of global supply chains for goods and services is increasing complex. Modern Slavery can be found anywhere in the chain but it tends to be much worse the further down the value chain, where there is little visibility and where the poorest and most vulnerable work.

Human rights due diligence is also a key concept in the UN Guiding Principles' on Business and Human Rights (UNGPs). The UNGPs specify that due diligence processes should “include assessing actual and potential human rights impacts, integrating and acting upon the findings, tracking responses, and communicating how impacts are addressed”¹.

Derbyshire County Council adheres to Section 52 of the Modern Slavery Act - Duty to Notify. Incidents of modern slavery are referred to the police and the Designated Modern Slavery Lead within Community Safety, who is the Council's direct link to Derbyshire Constabulary Operation Wilberforce and Local Serious and Organised Crime Boards.

¹ Home Office – Transparency in Supply Chains etc., A practical guide (2017)

The Council works to ensure the safeguarding of all vulnerable people and recognises at risk groups including workers in certain occupations such as car washes, care work and large numbers of adults in multiple occupancy domestic properties.

Any investigation and/or victim support in relation to modern slavery is conducted through the Derby and Derbyshire Modern Slavery Partnerships Multi Agency Tactical Response Agreement.
