

Signing, Carriageway, Markings
Road Section Improvements
at this bend.

Visibility Review / Risk Assessment
on Both Sides of Road within this
Area. This to determine in detail if any
Bush / Vegetation trimming back
or thinning is required to improve
visibility. Similarly Visibility Review / Risk
Assessment to take place, to check if any "highway
objects" require lowering, relocating
or removal within this length of road.

Also there will be a review on risk basis, of any existing
VRS / Safety Fencing ("crash barriers")
regarding need for new, or upgrades
within this length of road. Any new or
upgraded VRS would include
the "Bikeguard" system, which is a
2nd (lower) crash barrier beam to
give protection for motorcyclists and
vulnerable road users.
