January 2023

Derby City Council

**Town and Country Planning (Local Planning) (England) Regulations
2012 - Regulations 19, 20 and 35**

Statement of the Representations Procedure:

Title of Minerals Local Plan that Derbyshire County Council and Derby City Council (the Minerals Planning Authorities) propose to submit to the Secretary of State:

The Derbyshire and Derby Minerals Local Plan (2022-2038: Pre-submission Draft Pan January 2023 (referred to below as “the Plan”)

The current stage of the Plan preparation process

The preparation of the Derbyshire and Derby Minerals Local Plan 2022 – 2038 has now reached its Pre-submission Draft stage (regulation 19). with the publication of the Plan. The regulation 19 representation period up to 2 May 2023 provides the opportunity for public engagement and making of comments (“representations”) about the Plan before the Plan is submitted to the Planning Inspectorate for independent examination.

Subject matter of and area covered by the Plan

The Plan covers the geographical county of Derbyshire (including the city of Derby) except for that part which lies in the Peak District National Park.

The subject matter of the Plan comprises: the Minerals Planning Authorities’ identified strategic priorities for minerals development (relating to a vision and strategic objectives towards delivery of sustainable development that are set out in it) for the period to 2038; policies to address those priorities, including policies to enable the supply of important minerals (where necessary, by identifying specific sites for mineral working; non-strategic development management policies aimed at avoiding, minimising and mitigating the adverse impacts of minerals development; and policies designed to secure that the minerals developments in the area covered by the Plan contribute to the mitigation of, and adaptation to, climate change.

How to make representations about the Plan, with the address to which the representations must be made

Representations may be made in writing or by way of electronic communications (email).

Representations in writing (non-electronic) must be made to the following address: **Development Plans, Planning Services, Derbyshire County Council, County Hall, Matlock, Derbyshire, DE4 3AG**

Representations by email must be made to the following email address: planning.wastemin@derbyshire.gov.uk

The use of the Authorities' representation form is recommended; for information on using the form please read the 'Using our representation form' section below

The date by which representations about the Plan must be received

Representations about the Plan are invited for a period of eight weeks, up to midnight at the end of **Tuesday 2 May 2023**. These representations must be received by [on or before] that date.

How to submit a representation

The use of the standard representation form is strongly recommended as this will help to ensure that comments are related to issues relevant to the subsequent examination by a Planning Inspector. If you are objecting to the proposed submission Minerals Local Plan and wish to speak at the examination, it is imperative that you make this clear in your representation.

The representation form and an accompanying Guidance Note on representations can be downloaded from the Council's website at www.derbyshire.gov.uk/mineralsconsultation . Hard copy representation forms are also available from County Hall and city, district and borough council main offices. A paper copy can also be provided on request by phoning 01629 533190 or by emailing planning.wastemin@derbyshire.gov.uk

All representations duly received will be submitted to the Planning Inspectorate on behalf of the Secretary of State for Levelling Up, Housing and Communities, for consideration as part of the public examination of the Plan by an independent Planning Inspector

All these representations will also be publicly available and copies of them will be published on the County Council's website on being submitted to the Inspectorate. Information relating to the processing of personal data in respect of the representations and accompanying items is provided at section 5 of the Guidance Note.
