# 1. Purpose

This pay policy statement outlines Derbyshire County Council's approach to the pay of its workforce including the pay of its senior officers.

---

# 2. Scope

This policy statement applies to all Council employees, excluding teachers and employees of local authority schools.

---

## 3. Introduction

The Council is committed to fairness and transparency of pay in employment.

This Pay Policy Statement sets out the Council's policy on pay for senior managers and employees for 2024/25 and is in accordance with the requirements of section 38 of the Localism Act 2011 and Guidance and Supplementary Guidance issued by the Department for Communities and Local Government in February 2012 and February 2013. For the purposes of this statement, senior managers means 'chief officers' as defined by section 43 of the Localism Act 2011. The posts falling within the statutory definition are set out at Appendix 1.

Under the Local Government Transparency Code 2015 additional organisational information is required to be published annually on the website. This consists of third tier organisation charts, senior salaries information, including functional responsibilities, budget amounts and numbers of staff responsible for, together with details of trade union facility time. Read more about our [current organisational data and trade union information](#).

This Pay Policy Statement was approved by Council on 27 March 2024.

Council will approve the appointment of the Managing Director (Head of Paid Service) following the recommendation of such an appointment by a politically balanced panel in line with the requirements of the Council's Constitution.

A politically balanced panel will approve the appointment of Executive Directors and Directors. The appointment panel will be formed in line with the requirements of the Council's Constitution. Council will receive 'for information' reports as appropriate to note the appointment of Executive Directors.

Temporary appointments to Directors and Executive Directors of no more than 12 months at a grade whereby the annual salary does not total £100,000 or more or has been approved by Council will be approved by the Head of Paid Service in consultation with the Chair and Vice-Chair of the Appointments and Conditions of Service Committee.

Council will approve any salary packages for roles exceeding £100k per annum that have not already been approved by Council. The salary package offered for Chief Officer appointments are made in line with the Council's Senior Accountability Framework and pay and grading structure and are set out in the table below.

Any amendments to this policy, other than minor updates to reflect the 2024/25 pay agreement, will require the approval of Council.

## 4. About the Council

For 2024-25 the Council has a net budget requirement of £714.8m and will use these funds to provide approximately 794,600 residents with essential local services. By 31 March 2029 the Council needs to save £66.6m due to inflation, including pay pressures, greater demands on many areas of the budget, particularly adults and children's social care.

As £40.1m of savings are planned in 2024-25 it is important that services provide excellent value for money and make the best use of our resources.

The Council has approximately 11,981 appointments across four departments. The Managing Director (Head of Paid Service) and four Executive Directors, together with the Director of Finance, Director of Public Health and the Director of Legal and Democratic Services form the Council's Corporate Management Team leading the work that provides services across Derbyshire.

## 5. Pay arrangements

The Council's pay structure is aligned to the scheme's points bandings and applies across the whole workforce (with the exception of Soulbury, Further Education Lecturers, Apprentices and centrally employed Teaching and Headteacher posts). Read more about the Council's [pay structure and pay progression](#).

The Council has agreed to apply recruitment and retention payments to address recruitment and retention difficulties where these arise subject to the appropriate approval including Market Supplement Payments. Read more about our [recruitment and retention payments policy](#).

Pay agreements are negotiated by the National Joint Council for Local Government Services for employees up to Grade 16, the Joint Negotiating Committee for Chief Officers of Local Authorities for senior managers Grade 17 and above and the Joint Negotiating Committee for Local Authority Chief Executives for the Managing Director.

The Derbyshire Pay Structure is adjusted by any 'cost of living' increase agreed nationally by the relevant National Joint Committee. If the national agreement is not a flat rate increase, application will reflect the national agreement and read across to the Derbyshire Pay and Grading Structure. The statement will be updated once relevant pay agreements are finalised.

Where national agreements include changes to Green Book terms and conditions, these will not be automatically applied to the Derbyshire Package terms and conditions. Should the Council wish to consider any proposed changes to Derbyshire
