

Road sign quiz

Signs giving orders are circular, warning signs are triangular and information signs are rectangular.

1		6	
2		7	
3		8	

4	 A circular sign with a red border and a white background. It features black silhouettes of a motorcycle and a car, both positioned vertically. A red circle is drawn around the silhouettes, indicating that these vehicles are prohibited.	9	 A square sign with a blue background and a white border. It shows a white silhouette of a road with a central lane and two side lanes. A thick red diagonal line crosses the sign from the bottom-left to the top-right, indicating that roadworks are prohibited.
5	 A circular sign with a blue background and a white border. It features three white arrows pointing clockwise in a circular arrangement, indicating a roundabout.	10	 A square sign with a yellow background and a black border. It features black silhouettes of an adult and a child walking together, indicating a pedestrian crossing with children.
